## function FAQ's

Q. What do I need to book a function?

A. Once you have decided on a date and an area all we need is a \$100 deposit to lock in a date for you. The \$100 comes off the price of your food on the day.

Q. Is there a hire charge to book a function?

A. No, as long as you are putting on one of our function food options. If you have a big event and are thinking of a private function we would just attach a minimum spend amount to make it a private function.

Q. When do I need to confirm final numbers and food?

A. At least 4 working days before your event. (Note Monday is our day off)

Q. If not everyone turns up do I have to pay for all the food ordered?

A. Unfortunately yes. Our kitchen will prepare and cook all of the food ordered for your event so please make sure your final numbers are accurate.

Q. Can we decorate?

A. Of course! As long as it doesn't damage walls or paint go for it. (please note, no confetti or glitter as it take us ages to clean up)

Q. Can we bring a cake?

A. Definitely, and we don't charge cakeage.

Q. What AV capabilities do you have?

A. The function room has 2 large screens that can play slideshows etc. Just check that your format is compatible before the day of your event.

Q. Can we play our own music?

A. Unfortunately no. Because normally we are still open to the public we can't have 2 different music sources. If you are hosting a private function then live music, DJs etc are all fine.

Hope that has answered some of your questions. If you have any further please email us.
