function FAQ's

Q. Is there a hire charge to book a function?

A. No, as long as you are putting on one of our function food options. If you have a big event and are thinking of a private function, we would just attach a minimum spend amount to make it a private function. This amount will vary depending on day/time. So if you want details for a private function just ask.

Q. How many people can I have at my function?

A. The space comfortable seats 40 people. Functions of up to 50 can be catered for with a less formal cocktail style setting. In warmer months, we can incorporate some of our outdoor area to accommodate groups of up to 75.

Q. When do I need to confirm final numbers and food?

A. At least 4 working days before your event. (Note Monday is our day off)

Q. If not everyone turns up do I have to pay for all the food ordered?

A. Unfortunately yes. Our kitchen will prepare and cook all of the food ordered for your event so please make sure your final numbers are accurate.

Q. Can we decorate?

A. Of course! As long as it doesn't damage walls or paint go for it. (please note, no confetti or glitter as it take us ages to clean up)

Q. Can we bring a cake?

A. Definitely, and we don't charge cakeage to cut it up and serve it

Q. What AV capabilities do you have?

A. The function room has 2 large screens that can play slideshows etc. Just check that your format is compatible before the day of your event.

Q. Can we play our own music?

A. Unfortunately no. Because normally we are still open to the public we can't have 2 different music sources. If you are hosting a private function then live music, DJs etc are all fine.

Hope that has answered some of your questions. If you have any further please email us.
